What is Le Style de Vie?

Now in its 15th year, this fundraising event features wine and craft beer tasting, an exclusive Studio K style show, and live music under the tent behind Butch's Dry Dock. Proceeds support Center for Women in Transition, a local nonprofit responding to domestic and sexual violence.

About Center for Women in Transition

Founded in 1977, Center for Women in Transition is the only comprehensive domestic violence and sexual assault agency in Ottawa and Allegan counties. Our agency serves more than 3,000 women, men and children each year. Services include emergency shelter, legal advocacy, trauma therapy, support groups, and a 24-hour help line.
